

4 Ways Families Can
Financially Support
Wheaton Academy

**Relationships
Excellence
Service...
to the glory of God.**

Wheaton Academy
900 Prince Crossing Road
West Chicago, IL 60185
wheatonacademy.org

Many families make a significant financial sacrifice to provide a Wheaton Academy education for their children. While tuition covers the cost of a student's core experience here at WA, it does not cover any of the following:

- Campus improvements like the Fine Arts Center or the Heritage Field House
- Academic, athletic, fine arts or faculty enhancements
- Needs-based financial aid

In order to make these essential components of our school possible, we rely on financial gifts from our school family – parents, alumni, and friends.

We ask that you, as a current parent, prayerfully consider what place Wheaton Academy will have in your stewardship planning for the coming year.

Because your family benefits directly from our school's ministry, we believe that WA is a ministry worthy of a portion of our current parents' charitable giving.

In order to support our mission but not overwhelm our supporters with financial requests, we have limited our fundraising vehicles to just a few opportunities.

1 *Transforming Every Student: The Campaign for Wheaton Academy* is the fundraising effort that makes possible the Heritage Field House, an endowment for faculty and staff support, and needs-based scholarships for deserving students and families. Our goal is to reach 80% participation from our current families, through gifts or pledges over the period of the campaign as they are able and feel led.

2 **The Athletics Booster Club** is a fun and important way to support our athletic teams. You can sign up at the seasonal kick-off events and throughout the school year to participate at the \$50, \$100, or \$500 level. It would be wonderful to see 100% Booster membership among our families with students benefiting from our athletic programs.

3 **For those who like to golf**, we host two golf outings each year. The Todd Beamer Benefit Golf Outing takes place each September and the Alumni & Friends Booster Scramble is held each May. Plan to bring along friends and acquaintances who love to golf, want to support a worthy cause, and/or would like to learn more about Wheaton Academy!

4 **Timeshares for Teachers** is an opportunity for families to make an in-kind donation of time at a vacation home, use of airline miles or use of timeshare weeks to allow our teachers to enjoy a summer vacation that they would otherwise not be able to afford. Those interested in this unique new opportunity can pick up a brochure in the Front Office, or call Nikki Daniels at (630) 562-7580.

Apart from these opportunities and merchandise available through our bookstore and Booster Club, we do not allow additional fundraising sales or appeals for Wheaton Academy. While our students may initiate a number of fundraisers for our global ministry initiatives, these are geared toward the student audience and not meant to solicit our parents.

It is our hope that, among these four opportunities, you and your family will find ways in which you feel called to support Wheaton Academy.

***Our goal...
is to count 80% of
our current Academy
families as active
partners in supporting
our shared mission –
to nurture growth in
our students through
relationships, excellence
and service to the glory
of God.***
